IL 59 Closure in Barrington Hills for Crash Cleanup

CHICAGO – The Illinois Department of Transportation (IDOT) announced that a closure is underway on Illinois 59, north of Dundee Road (Illinois 68), in Barrington Hills, Tuesday, May 23. The closure is necessary due to slick conditions on IL 59 caused by a crash resulting in an oil spill.

Illinois 59 is closed north of Dundee Road and south of Barrington Road. Illinois 59 traffic should follow the posted detour. The closure is expected to be in place through Wednesday morning.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
